— thanks for the nudge.....is now the third on the hair on fire list for this week:

- P-20-0167 (will likely slip into backlog)
- P-19-0083 (backlog)
- P-20-0166 (hopefully won't slip into backlog)

Subject: RMB is asking us about P-20-0166

Hi

RMB sent me an email this morning trying to gently nudge us on P-20-0166. It's already on the Nov Confluence priority list to get done under the D90 and it should be fairly straight forward (and end up being a **Ex. 5 Deliberative Process (DP)**). P-20-0166 is currently at day 71 (with a D90 of 12/13) and with management review. It's only **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP) This seems like an easier lift.
